

Young Potential Sires – March 2010

Three lists of Young Potential Dohne Merino Sires are listed on the website of the Dohne Merino Breed Society. The following parameters applied to rank the top 100 young potential sires on the data base of the Dohne Merino Breed Society of SA.

- **List Young Rams are ranked according to Body Weight EBV's**
- Only rams born in 2007 and 2008 that have already been tested and passed inspection by February 2010 are listed.
- During March 2010 none of these rams had progeny which had been performance tested.
